Published: 03/20/2013 - 3:53pm

Cost of Living	
This index compares the relative cost of living in different locations. Using the United States as the base location (i.e. a value of 100), an index value of 120 means that the cost of living in that particular community is 20 percent higher than in the base location; a value of 94 indicates a more affordable location.
